

Gurus Corner

Dear Gurus,
The power point on Ant Philosophy helps us in teaching 5 Ds.
Such innovative techniques may be developed in order to enthuse children.

Bhagavan says

☐ "Cheema Swardhambu....."

"Ant does not possess selfishness.

Many ants live together and share their food.

This kind of Unity and Togetherness

is rarely found in mankind"

THE ANT PHILOSOPHY

1st PART PHILOSOPHY

ANTS NEVER QUIT

- ☐ If they're headed somewhere and you try to stop them, they'll look for another way.
- ☐ They'll climb over, they'll climb under, they'll climb around.
- ☐ They keep looking for another way.
- ☐ They exhibit strong Determination (5 Ds)

LESSON:

To never quit looking for a way to get where you're supposed to go.

2nd PART PHILOSOPHY

ANTS THINK WINTER ALL SUMMER

- ☐ You can't be so naive as to think summer will last forever.
- ☐ So ants are gathering in their winter food in the middle of summer.
- ☐ You've got to think rocks as you enjoy the sand and sun.

LESSON: It is important to be realistic.

Think ahead.

3rd PART PHILOSOPHY

ANTS THINK SUMMER ALL WINTER

- ☐ During the winter, ants remind themselves, "This won't last long; we'll soon be out of here."
- ☐ At the first warm day, the ants are out.
- ☐ If it turns cold again, they'll dive back down, but then they come out the first warm day.

LESSON: Stay positive at all times. (Discrimination)

4th PART PHILOSOPHY

ALL-THAT-YOU-POSSIBLY-CAN

- ☐ How much will an ant gather during the summer to prepare for the winter?
- ☐ All that he possibly can.

LESSON: Do all you can....and more! (Duty....Devotion)

5th PART PHILOSOPHY

- ☐ All the Ants live Together
- ☐ They go in a que (Discipline of 5 Ds)
- ☐ They work Together

LESSON: Sahanaavavathu Sahanaau Bhunakthu.....!

6th PART PHILOSOPHY

- ☐ All the Ants share their food
- ☐ They exhibit exemplary Unity in sharing
